RECORD OF PERSONAL DATA PROCESSING

Art. 31 of the REGULATION (EU) 2018/1725 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (henceforth the "Data Protection Regulation")

Record n°

DPO 18-2020

In accordance with Article 31 of the data protection regulation, individuals whose personal data are processed by the Executive Agency in any context whatsoever are to be protected with regard to the processing of personal data and the Executive Agency has to keep records of their processing operations.

This record covers two aspects:

1. Mandatory records under Art 31 of the data protection regulation (recommendation: make the header and part 1 publicly available)
2. Compliance check and risk screening (initial; part 2 is internal only to the Agency, not published)

The ground for the record is (tick the relevant one):

- Regularization of a data processing operation already carried out
- Record of a new data processing operation prior to its implementation
- Change of a data processing operation.
- Migration from notification to record

ERCEA Internal Communication Activities - Tools

2	Short description of the processing	The Internal Communication (IC) Team of the European Research Council Executive Agency (ERCEA) coordinates a wide range of activities within the Agency with the purpose of connecting staff to the mission, culture and

	<p>values of the organisation (i.e. staff engagement and corporate/community spirit) and delivering timely and quality information to the staff and the access to multiple communication channels.</p> <p>The activities of the IC Team include:</p> <ol style="list-style-type: none"> 1. Communicating with staff about the Agency and the EC's mission, decisions and activities; 2. Organising and promoting internal events and campaigns including staff engagement activities; 3. Developing Collaborative Platforms for internal communication purposes. <p>The IC Team uses different internal tools and means of communication for their daily activities that require the handling of personal data. These tools are the ERCEA intranet, which offers the Who is Who, blogs and collaborative platforms; and internal publications including the ERCEA internal magazine "Inside", the HR eBulletin, emailing, signage and postages. For special events or occasions, the IC Team may also provide promotional goods or materials to its staff members.</p> <p>Generally, the personal data processed includes names, contact details (email address, office location, etc.), information related to the contractual relationship and careers (job title, description, achievements, publications, missions, etc.) including the publication of media content (photos, video, audio recordings) and the data subjects are mainly asked to provide their consent.</p>
