Record n°

DPO 37-2020

In accordance with Article 31 of the data protection regulation, individuals whose personal data are processed by the Executive Agency in any context whatsoever are to be protected with regard to the processing of personal data and the Executive Agency has to keep records of their processing operations.

This record covers two aspects:

1. Mandatory records under Art 31 of the data protection regulation (recommendation: make the header and part 1 publicly available)
2. Compliance check and risk screening (initial; part 2 is internal only to the Agency, not published)

The ground for the record is (tick the relevant one):

- Regularization of a data processing operation already carried out
- Record of a new data processing operation prior to its implementation
- Change of a data processing operation.
- Migration from notification to record.

Flexitime, Leave and Absence Management

Flexitime, Leave and Absence Management		
1	Last update of this record if applicable	Leave management and flexitime notification (DPO 47-2012) Ares(2012)1122836 - 26/09/2012
2	Short description of the processing	One of the main tasks of the time-management (GECO) team in the HR Unit is to manage the Human Resources policy of the Agency. This includes, among others, the implementation of legal prescriptions of the Staff Regulations and other relevant legal bases related to staff leave, absences and working patterns, for which it is necessary to process some personal data of the staff members. Most of the processing operations necessary to the time-related aspects of time/jobs management have been

	<p>transferred to SYSPER. Staff members on their own initiative indicate leave on this EC Corporate Tool by encoding the information required by the relevant rules and procedures. However, some operations (justificatory certificate for special leave) cannot be processed through SYSPER and are thus done in paper form (though the absence and its approval is recorded in SYSPER).</p> <p>The flexitime system permits greater flexibility in the organisation of work and a better reconciliation of work and private life of Agency staff.</p> <p>Interim staff, intra-muros experts and Blue Book trainees are not subject to this Record.</p>
